

### REMARKS

The foregoing Amendment and remarks which follow are responsive to the Restriction Requirement mailed March 21, 2005 in relation to the above-identified patent application. In that Restriction Requirement, the Examiner requested restriction under 35 U.S.C. §121 to either Claims 12-27 drawn to a process of making a semiconductor device, or Claims 28-31 drawn to a semiconductor device structure.

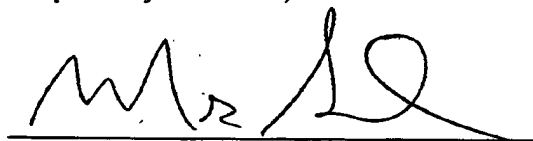

Responsive to the Restriction Requirement, Applicant hereby provisionally elects, without traverse, Claims 12-27 drawn to a process of making a semiconductor device for initial prosecution on the merits. Accordingly, by this Amendment, Applicant has cancelled the non-elected Claims 28-31. Additionally, Applicant has added new Claims 32-35 into prosecution which are also drawn to the elected method.

If any additional fee is required, please charge Deposit Account Number 19-4330.

Respectfully submitted,

Date: 4/5/05
